

A Limited and Special Membership Invitation

Each year at this time we invite a limited number of people to join Ridgeway Country Club. During the 2009 season, our membership was full, but due to attrition and people who move out of the area, we anticipate limited openings. Therefore,

We invite you to join Ridgeway Country Club and *Experience the Difference!*

- The Best Golf Value in Wisconsin
- Golfing Opportunities and Competitive Tournaments For All Skill Levels
- Active Ladies Golf Association
- Excellent Junior Golf Program

In the last three years under dedicated leadership, a diligent Board of Directors, and a supportive membership, we have been able to:

- Increase our membership
- Operate within our budget
- Show a net profit
- Eliminate assessments
- Asphalt all of the cart paths
- Lengthen the Championship tees to 6,700 yards
- Provide a new fleet of electric carts
- Provide an online tee time reservation system to our membership
- Provide an indoor golf simulator for year-round golf

The members, staff, and Board of Directors are dedicated to making Ridgeway Country Club the best possible value for a private club and we encourage you to take advantage of this Limited and Special Membership offer.
