

Attention: Golfers who like to have fun and save \$

Each year at this time we invite a limited number of prospective, new members to join Ridgeway Country Club. During this past 2008 season, our membership was full, but due to attrition, and people who move out of the area, we anticipate openings **for about 25 New Ridgeway Members.**

We encourage you to look into this Limited and Special Membership offering!

Ridgeway Country Club has always been a great private club where friends gather to enjoy the game of golf and other social events.

Our focus is on you and your golfing needs. In fact, our motto is ...
No Tennis, No Pool, No Assessments!
Just Good Friends, Great Food and Incredible Golf!

We understand the troubles that many golf courses and clubs are having financially. As a result we have put our ship in order and operate within our means, while delivering one of the best golfing experiences available for our members.

The members, staff, and Board of Directors of Ridgeway Country Club are dedicated to making this membership the best value for a private golf club in the State of Wisconsin. I invite you to "Experience the Difference" that Ridgeway Country Club offers its members.

So don't miss out on this great opportunity to play one of the finest courses in the Fox Valley for the best value in the area!

Enclosed you will find a document listing our selection of Membership classes. We are confident you will find something that fits your needs and budget. Please feel welcome to contact me personally so we can schedule a tour of the facility and discuss your Membership opportunities.
